Subject: Petition - Arliston Drive, Woodville

Sent on behalf of Mark Alflat, Director of Operations, South Derbyshire District Council

Mr. Harrison,

I understand that you have also sent a copy of your petition to DCC and this is being considered by the Traffic and Safety Section.

In regard to the query about a barrier, I understand that a car park barrier has already been installed to the car park adjacent to the football pitch and the key is held by a local resident associated with one of the football teams.

Please do not hesitate to contact me if you require any further information.

Pam Wilson
PA to Mark Alflat, Director of Operations
South Derbyshire District Council
