Issues and Options Consultation Leaflet Questionnaire

This questionnaire accompanies and seeks your views on the Consultation Leaflet

Vision for the Area

The Council's overall vision for the Area Action Plan (AAP) area is to open up opportunities for increased prosperity, access to jobs and a greener and safer environment.

Do you agree with this vision?

Y N Other

Please explain further:

.....
.....

Options

Which of the Three Options outlined in the leaflet most closely matches your views?

Option 1 Option 2 Option 3
 A mixture of the above None of the above

Are there any other broad options which have not been identified in the leaflet? What are these?

.....
.....

Employment

Is it appropriate for the AAP to plan for job-creating development?

Y N Other

Please explain further:

.....
.....

How important will it be to retain existing businesses located within the AAP site in their current location?

.....
.....

Are there any particular types of businesses or commercial uses the AAP should seek to attract to the area?

.....
.....

Transport

Is the general line of the Swadlincote Regeneration Route shown in the leaflet the most appropriate?

Y N Other

Please explain further

.....
.....

How important will it be to provide access to the area by public transport, cycle and foot?

.....
.....

Housing

Do you think that any new housing should be developed within the AAP site?
If so, what sort of housing should we seek, how much and in which locations?

.....
.....

Should the AAP promote the development of specially designed buildings to enable working from home or operating businesses from home? Where should these be located?

.....
.....

Leisure, Community and Heritage

Is there a need for any leisure facilities within the AAP area? If so, what types and where should these be located?

.....
.....

Is there a need for any community uses such as a crèche, or a training/skills centre within the AAP area? If so, what types and where should these be located?

.....
.....

The AAP area includes a number of 'listed' buildings including six of the nine remaining bottle kilns in South Derbyshire. The quality and setting of these buildings will need to be considered carefully in the AAP. Are there any other important buildings which you feel should be retained or enhanced as part of the development of the area?

.....
.....

Environment

Should new open space and public areas be provided within the site? If so, should it be spread out across the area, or would it be better concentrated in a particular location?

.....
.....

Are there any parts of the AAP site which should remain undeveloped? If so, where?

.....
.....

Do you feel that any new development should be designed to be environmentally friendly (for example by providing on-site 'renewable' energy, or by being designed to be very energy efficient)?

.....
.....

Should there be any woodland planting on the site? If so, how much and where should it be located?

.....
.....

Should the site include any new areas for creating habitats for the conservation of wildlife?

.....
.....
